

Kristen Weir

Kristen Weir is the Director of Skating at The Center Skating Academy. She has been coaching a variety of disciplines of skating for 25 years. Prior to coaching, Kristen was a competitive figure skater throughout her childhood until turning professional and pursuing an exciting career performing with Disney On Ice. Kristen has been coaching in Acton, MA since 1993 prior to proudly taking on her new role at The Center Skating Academy in 2018.

Throughout her career, Kristen has taught a number of skaters at US Figure Skating Regional, Sectional, and National and International level, proudly coaching the 2014 Juvenile Girls National Champion! Her love of skating is what drives her to inspire and motivate her skaters.

Kristen's coaching model is true individual care of each skater. Every skater learns and receives information differently, and addressing the needs of each skater personally makes the learning environment fun and encouraging. Kristen partners with coaches and choreographers who share the same vision and aid in cultivating a positive, supportive environment for her skaters.

Kristen's expertise in Freestyle skating, Moves in the Field, Choreography, Edge work, and Skating skills for hockey players shows in her clients' success and love of their sport. Kristen has guided dozens of skaters through their Gold Medal tests in US Figure Skating, has coached skaters for 25 years in competitions in both US Figure Skating the Ice Skating Institute, and has trained dozens of hockey skaters developing their skills in balance, agility, speed, stride, etc... to enhance their game experience.

Kristen enjoys working with all skaters, from toddler to adult, learn to skaters to Senior level Figure Skaters, learn to hockey to Elite players.
